

How to access the KAFU e-Learning platform

REQUIREMENTS

1. A smart phone or a laptop
2. Access credentials i.e.
 - a. Username – registration number
 - b. Password– Student@2025 (you will be prompted to change the password)
3. Internet browser i.e. Google Chrome or brave browser or MOODLE App
4. Stable internet

HOW TO LOGIN (Using Chrome Browser/Brave Browser)

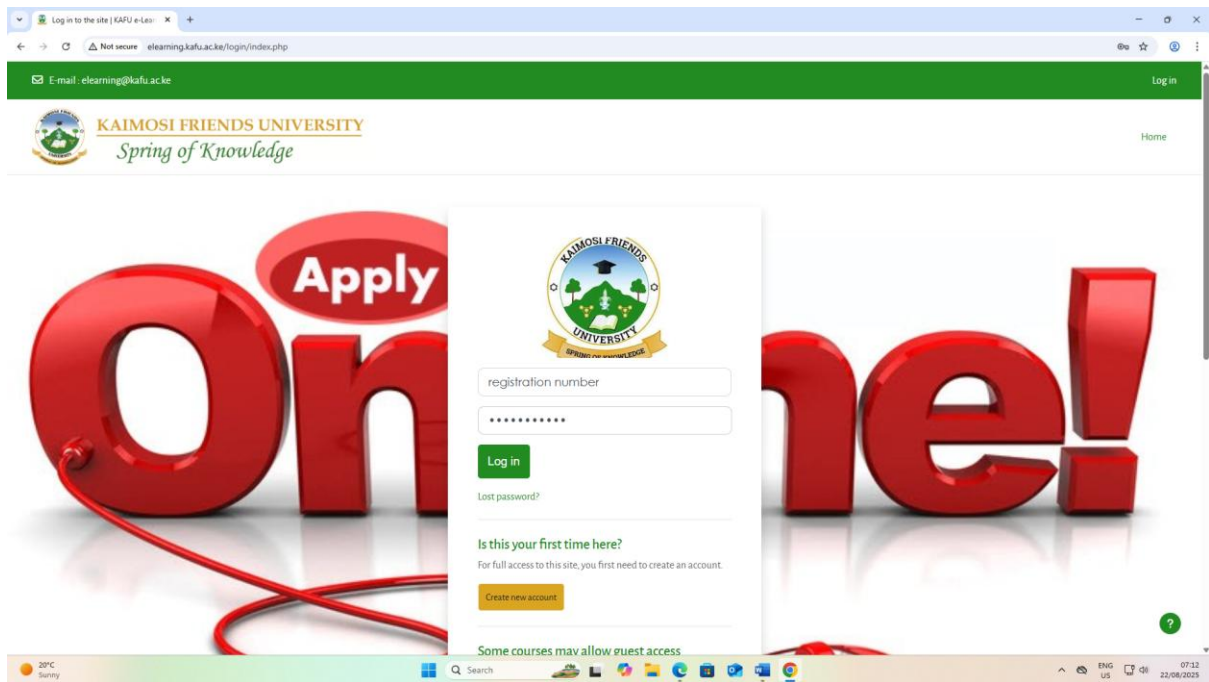

Step 1: Type the site address (<https://elearning.kafu.ac.ke/>) on the address bar as show below

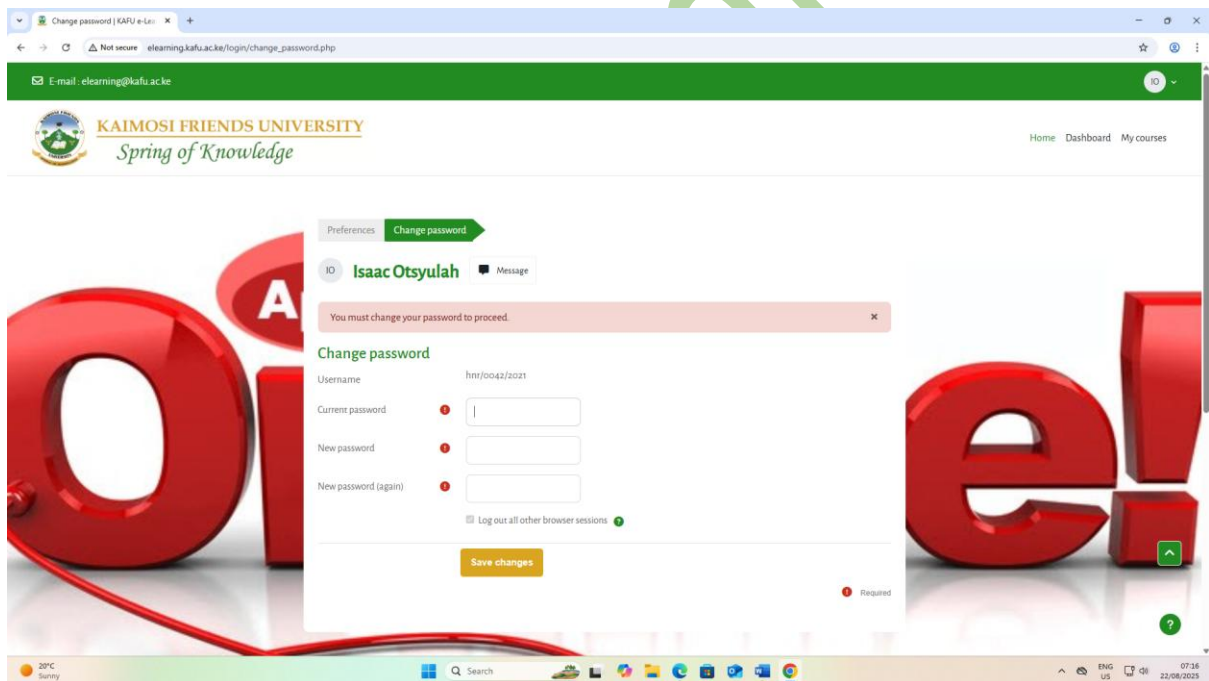

Step 2: Log in

Username: Registration number

Password: Student@2025

Step 3: Upon initial login, you need to change your password.

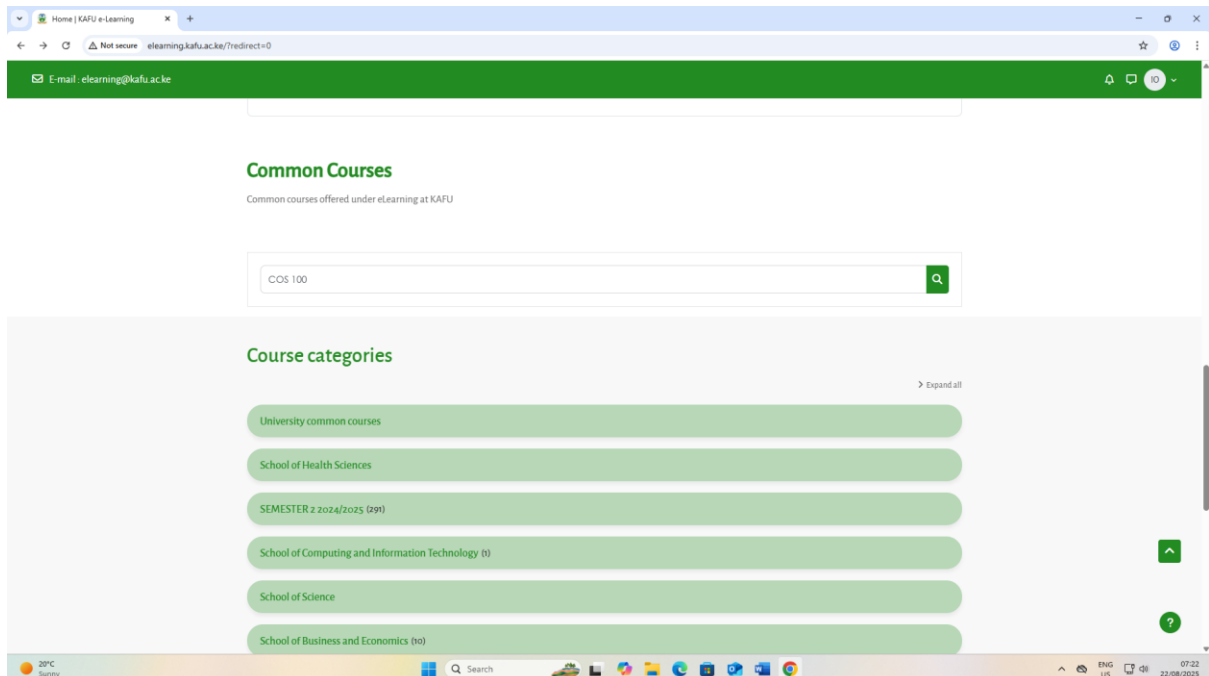

Step 4: Orientation to e-Learning

Go through the Orientation to e-Learning

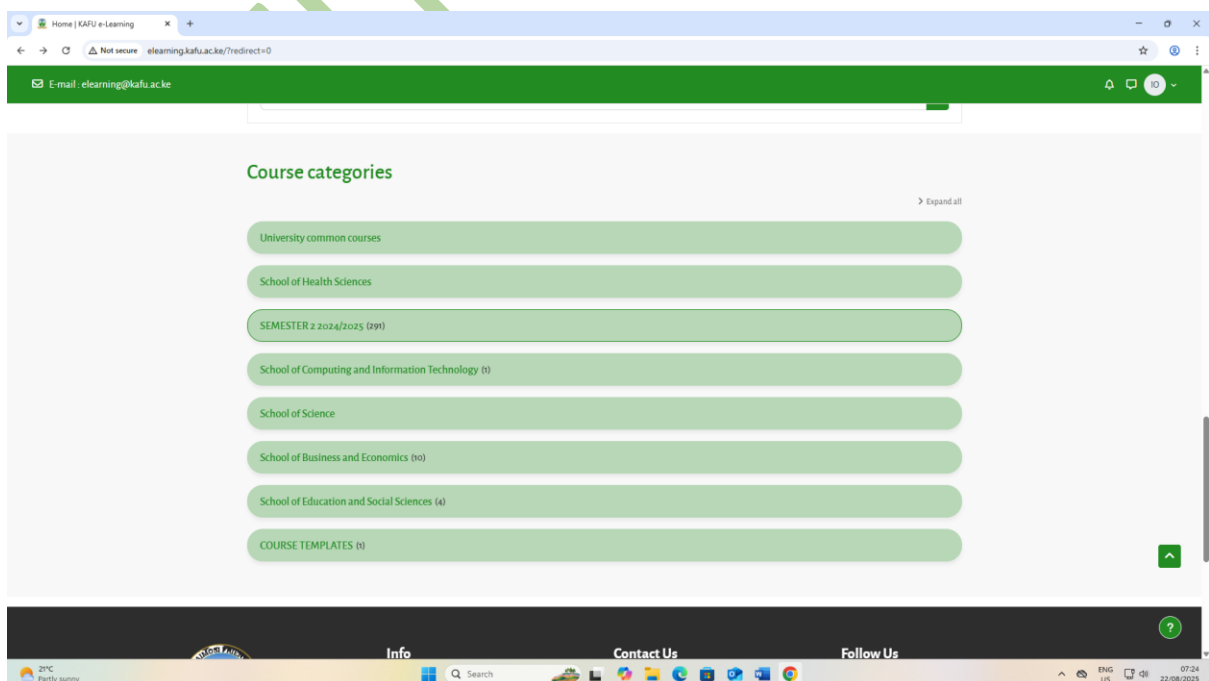

Step 5-1: Accessing courses

At the Home Page, search for the course using the Course Code or a key word from the Course Title. For example: COS 100: Communication Skills can be searched by using “COS 100” and select your course from the list that appears.

Step 5 - 2: Accessing Courses

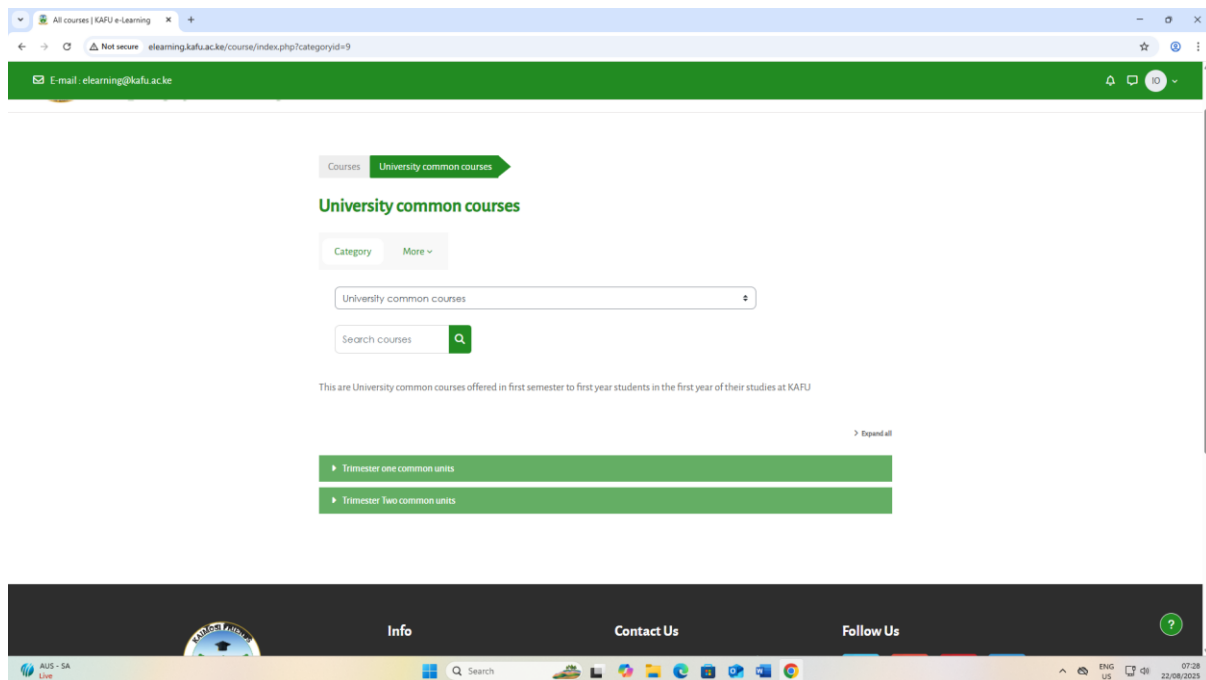

Alternatively, at the Home Page, scroll down to the “Course Categories.” Select the category that your course belongs to: *University Common Courses*

Step 5-3: Accessing Courses

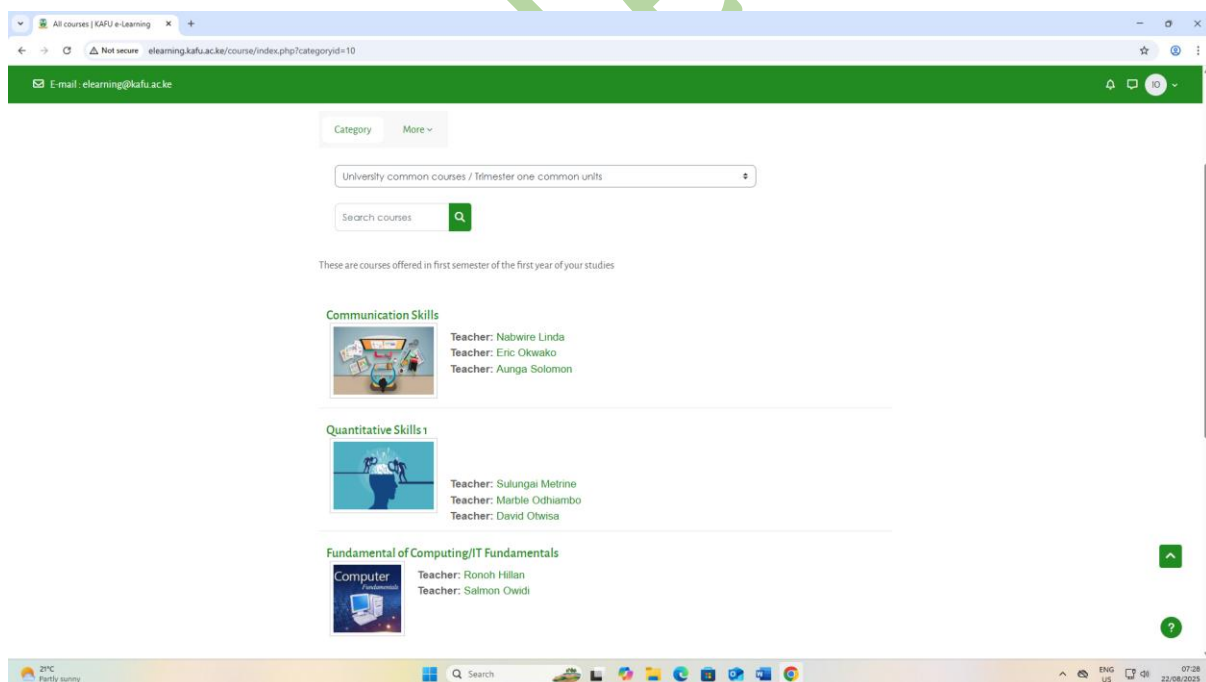

By: Mercy Bonareri
Email: mbonareri@kafu.ac.ke
Or odel@kafu.ac.ke

Under “*University Common Courses*,” select the **trimester**

Step 5-4: Accessing Courses

Select your course from the list of courses shown

Step 5-5: Accessing Courses

Enter the “Enrolment Key” to gain access to the course. The enrolment key is made available to ones you click on the courses as per trimester

Browser tabs: All courses | KAFU e-Learning

Address bar: Not secure | elearning.kafu.ac.ke/course/index.php?categoryid=10

E-mail: elearning@kafu.ac.ke
